Hi Michael,

Regarding your review on sitejabber.com, I would like to point out the following and request that you remove your review.

1. You signed an NDA with us.
2. You were aware of the rate when you were hired and accepted it.
3. You were not forced to do any work that you did not want to do, and actually you didn't do any work for us.

Considering that you did no work for us and still posted a review is entirely unfair. Others that work for us are happy and have gone on to join our team, including those that worked on that project, and are now paid at a much higher rate. Your review is not an accurate portrayal of our business. If you do not remove the review, we reserve the right to pursue legal action for violation of the NDA.

Thank you,
Yasir Mehmood, MBA, PMP, PMI-ACP, CSM, CSP, CLP, CSPO
